This document should not be relied on or used in circumstances other than those for which it was originally prepared and for which V.V. Associates was commissioned. V.V. Associates accepts no responsibility for this document to any other party other than the person by whom it was commissioned.

NOTES:

- all dimensions and levels are in feet and inches, unless otherwise mentioned.
- dimensions are not to be scaled, only written dimensions are to be followed.
- this drawing shall be read in conjunction with relevant architectural, structural and electrical drawings and all relevant sections of the specifications, if applicable.
- any discrepancy, error or ambiguity shall be immediately brought to the notice of the architect before the commencement of work.
- this drawing shall supersede its previous revisions.
- all roc works shall be done in accordance with structural drawings.
